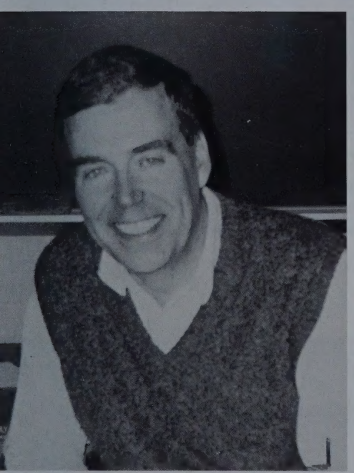
Dedications

Mr. Gonzales

Mr. Gonzales was born and raised in California. He then attended Grace Bible College and received two bachelor degrees: one in religious education, and one for his teacher's degree. His major is in History and minor is in the Arts and Sciences. After two years of teaching at his old high school in California, Mr. Gonzales came to Michigan in 1989. He received a teaching job at Kelloggsville High School. He has become a great addition to our school. Not only does he teach Government, Theatre, Debate and Speech, but is the Improv Advisor/Director, Coach of the Debate Team, Advisor of Close-up, Advisor of the Drama Club, and part of the Communication and middle school/high school remodeling committee. He has produced six plays at Kelloggsville and one at Grace Bible College. Whew!! Mr. "G" enjoys what he does greatly and also loves spending time (what time?) with Mrs. Leslie Gonzales, his wife of 8 years and their son Quincy. He hopes to see K-ville adopt a soccer program and is *always* reading and watching for plays for future production. Congratulations are in order to Mr. "G" who helps make K-ville the GREAT school it is.



Mr. Steed

Mr. Walter Steed attended Community College for two years, and then received his B.A. and major in English from Western Michigan University. He has been a dedicated educator at Kelloggsville for 21 years and 5 years at Grand Rapids Baptist. Not only has he been a dedicated teacher, but an active one. From 1981-1985, he was the Yearbook Advisor for G.R. Baptist, and the 1970 Class Advisor for four years. He has been the Yearbook Advisor at K-ville from 1983-1992. He has participated in many Close-up Talent shows (where he has sung or played the piano). Currently he is involved in the Communication and Creative Writing Committee. He enjoys his five English classes, and appreciates this dedication, but also realizes, "There are many other deserving teachers; I feel we have a great staff." Mr. Steed enjoys spending time with his wife, Judy and their three children. He actively reads novels and short stories. (So when he says reading is important, he means it!) Thank you, Mr. Steed, for your involvement and dedication at K-ville. It is recognized.

Lee was the most interesting game with four pitchers used in the game. Sharon Griffen pitched an entire inning and made a great pitching debut!! The last game was against Byron Center. Everyone played except Juelie McClure. She missed the bus! Naturally we could have won if she was there. Laura Howard was nicknamed "Wuskins" due to her whinning. "One Moment In Time" was the theme for Prom 1994. It was truly a grand evening. The Juniors worked hard organizing this unforgettable event. The Airport Hilton was where the evening took place. At 7:30 p.m. dinner was served. After dinner, dancing and socializing continued until 11:15 p.m. It will definitely be a last memorable "moment in time" to the graduating seniors.

In 1938, the first Senior class consisted of six members. In twenty years our Senior classes have enlarged until, this year, over eighty students will be graduated.

Each year a number of graduating Seniors have continued their education by going to college. About twenty-four members of the Class of 1958 are making plans to go on to college.

Biology Lab is always intriguing.

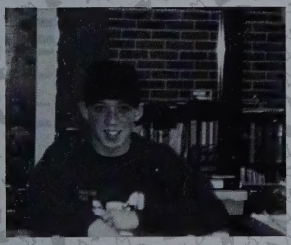
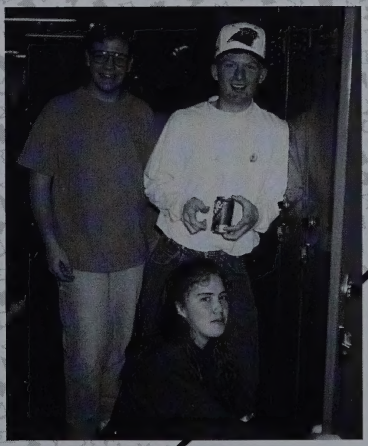
Events and Clubs

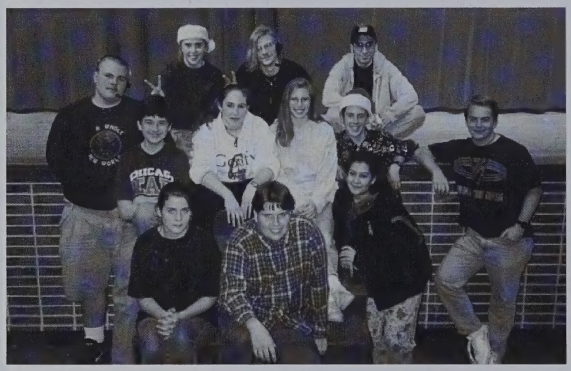




Fall Play: "Fly Away Home"

The huge cast!

"Nancy the new-ager!"



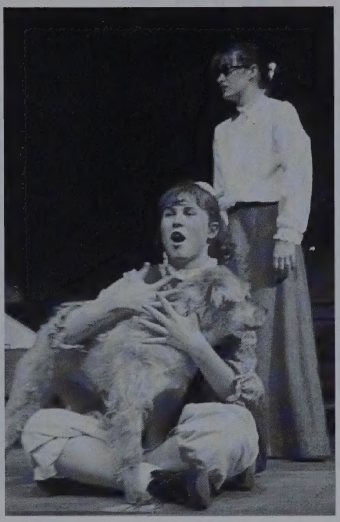
"Fly Away Home" was about a girl dealing with her parents' divorce during the Christmas Season. The curtain opened the evenings of December 3 and 4 at 7:00. Directed by JD Gonzales, this play had a very large cast and consisted of every kind of character imaginable.

(Above R) Mr. Pfent sings during the Christmas eve mall scene.

(Right) Divorced couple Carol and Dan fight again.

Spring Play: "The Miracle Worker"

Kate Keller worries about Annie Sullivan.



Helen enjoys Belle's company.

This show was performed for the second time ever on the KHS stage the evenings of March 25 and 26 at 7:00. The cast was very small and the set was made by Mr. Nowak. Mary Jane Creduer captured the audience with her portrayal of Helen Keller. It was a very successful play and the KHS Drama Department will miss the graduating seniors.

Youth Initiative

K-ville Youth Initiative is a dedicated, outstanding and awesome group making a difference!! Their motto is "I can make a difference today." They have proposed and completed many projects to help others and our own school. Some of their projects were 1993 YI Conference, Handicap Awareness Week, Volunteer Center, Pennydrive, Winter Warmth Competition, Recycling, Alzheimer's Walk-a-thon, Hunger walk, and the cleaning of their newly adopted park. In May they swept a Youth Initiative Awards assembly winning more awards than any other school. Their efforts and enthusiasm are surely noticed as well as appreciated.

El Club de Espanol

This year the Spanish Club has grown in size. Its Advisor is Mrs. Kelly Hjelm, who devotes a lot of time after school and on weekends to work with the club. The President is Halima Ahmed, Vice-President is Louise Descanio, Secreatry is Gretchen Schults, the Treasurer is Jenny Malone. The Spanish club has had bake sales during conferences, where they sell not only baked goods but things like amigo pens, worry dolls, etc. During Christmas vacation they sang Christmas carols to the children and adults waiting at the Santa Maria clinic. They also had Cinco de Mayo, which consisted of a restaurant, Open gym and dance. (Sounds like fun!) Their goal is to take a trip to Mexico — Buenas Suerte!

SADD

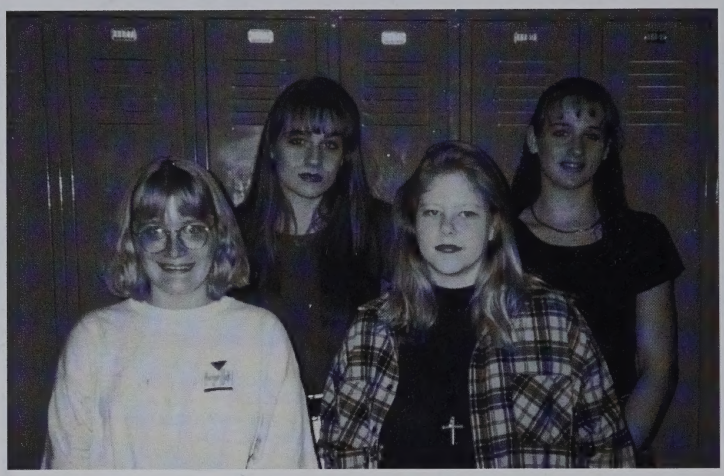
SADD has done a lot for their cause this year. They held their annual Spring Fling and Sucker Sale. They also held a demonstration to see what happens when you drink and drive. Good Job Everybody!

Peer Resistance Team

This talented group here at K-ville has done an excellent job. They travel around to the elementary schools to teach kids how to say "NO!" Group members are: Halima Ahmed, Danielle Rosendahl, Louise Dascanio, Mellissa Parker, Michelle Richter, Bill Ellis, Don Sonke, Marie Koons, Tara Robinson, Tara McMurray, Kurt Martin, Sara Overton, and Rebecca Stoker.

Mrs. Mari Price, advisor of both groups, has done a great job with both of them!

Debate Team



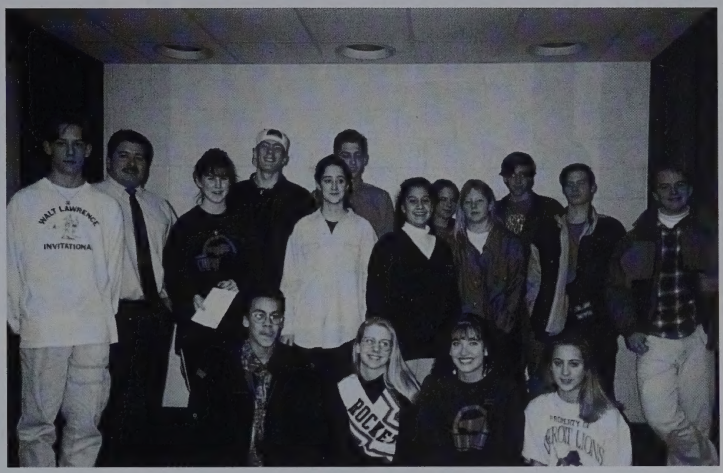
The Debate Team had a challenging year. They had debate meets on Thursdays after school with other local schools in the OK Conference such as South Christian, and. Some of the Debate members include: Lisa Ash, Brad Biladeau, Sarah and Melissa Saxton, and Ann VanDerPuy. Mr. JD Gonzales was the advisor and looks forward to next season with his team.

Close Up

Our Close Up group took a week in the beginning of May to journey to our nation's capital and experience a hands-on, inside look at how our government is worked. The group stayed in Washington, D.C., with other groups from as close as Middleville, and as far away as Vermont and Alaska. The members enjoyed themselves and have gained something they never could have by taking this adventure.

Drama Club

This is a new organization to KHS this year. With JD Gonzales as the advisor, Nichole Herblet as the President, and Nicole Burns as Secretary; they had a wonderful debut into the year. They enjoyed many great meetings and got together and went to see some performances during and after school. They also had a blast selling the famous "Drama Pops"!



Improv Team

The Improvisational Theatre Team had a spectacular year. This group is known for play games, theatre games, that is. Some of the better-known games include Freeze, Party Quirks, Numbers, and Mamma Said So. They performed at many KHS events including the Close Up Talent Show, the KHS Fine Arts Festival and the Senior Supper. Improv had a great year and looks forward to next year.

KHS Band

The Kelloggsville High School Band has had a busy year. Marching season consists of five home games and the Homecoming parade in the fall. We also marched in the Grand Rapids Santa Claus Parade. The annual Christmas concert was on December 12, 1993. On March 11, 1994, we attended the MSOBA District Festival to receive a III rating. Our last concert is May 17, 1994 at the High School.

The '93-'94 Yearbook Staff

"Hello and welcome to the page that lets you meet the people who created your yearbook. From the very beginning of the school year, to days after school has finished, this yearbook team designed a book for every student at the 'Ville and filled it with memories from throughout the year. We all sincerely hope that our many lunch hours, after school work sessions and those in-service days that we worked will pay off by having each student who purchases a yearbook satisfied with what we created. We hope it gives each student many memories to look back on, years from now . . ." Halima A.

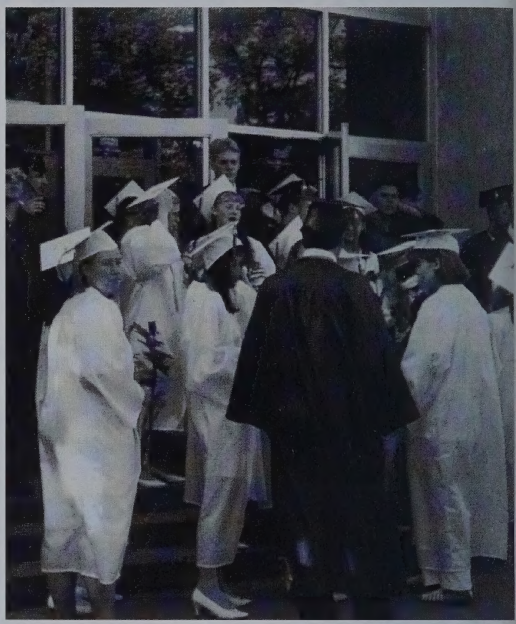
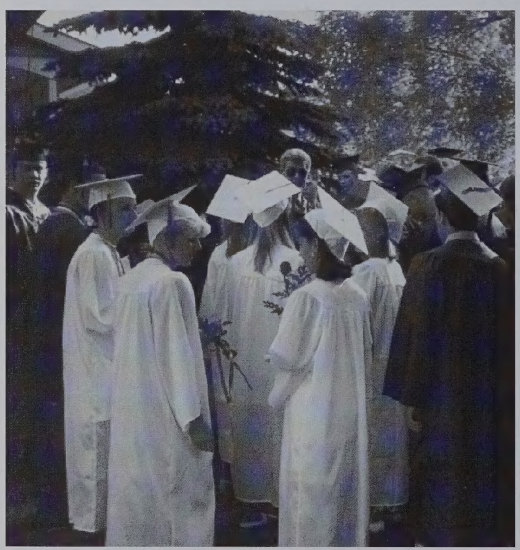
It All "Pays Off"





A pep talk from "G.P.S."!

It was a beautiful day, and it, along with the class of 1994, will never be forgotten. The Graduation ceremony was held on May 31, 1994, at 7:30 p.m. at Russell Formsma Field. It was a sunny, warm, windy evening, and there was a lot of nervousness, but everyone made it through. The reality of leaving Kelloggsville High School and going out into the real world finally made its way into the hearts and minds of the majority of the graduates. It was a true step for the Class of 1994 into the future and beyond.

SHARING A MEMORY FROM YESTERDAY.

They were brilliant... and in style too. When these students posed for a local yearbook photo in 1913, their clothing and hair styles were the latest fashion. More significantly, they stood on the threshold of a dream... and looked forward to lives full of promise, discovery and challenge. So do you. Amway congratulates the Class of '94. May you never stop dreaming, discovering, and meeting challenges head on.
